

Topics for next meeting – 25/02-2021

Changes from last meeting

- Lack of internet for three days ruined a lot of progression.
- I worked on finding a target audience and compared the current mobile money services. (https://github.com/Shrewbi/thesis-offline-transactions/blob/main/Research/target_analysis.xls)
- Looked into firechat – potential for a large p2p network-based payment

This meeting

- Discuss the the findings
- Discuss what is lacking in the current mobile money options and how another product might look, and what it should focus on.
